

BEACON HILL CLASSICAL ACADEMY

Dear Business Owner,

Beacon Hill Classical Academy is a K-12 private school in Camarillo. We are known for inspiring godly leadership, and our mission is to raise up the next generation of wise and eloquent young people. We combine values which have stood the test of time that instill respect for authority, chivalry, common sense, logic and academic excellence.

We do our best to make Beacon Hill affordable for all income levels by keeping tuition low and offering a generous scholarship program to those in need. We are able to do this through successful annual fundraising. We ask that you would please consider partnering with us to further Beacon Hill's vision for academic excellence and spiritual growth by providing a tax deductible donation.

Donations can include:

- items for our silent auction and/or raffle drawing
- gift certificates
- any goods or financial contribution

Your generous gift will be used at our Gala fundraising event on March 29, 2019. All monies earned will benefit facility needs, professional development, classroom and curriculum supplies, field usage, sports equipment and scholarships. Any level of giving is greatly appreciated and a blessing to our school.

Thank you,

Beacon Hill Classical Academy
