PHILOSOPHY & IDENTITY

MISSION

Beacon Hill Classical Academy cultivates an appreciation for beauty, a love of goodness, and a devotion to truth by discipling the whole person through a classical Christian education. We labor alongside families of the Church to equip and inspire students to influence the world for the glory of God.

MOTTO

“In lumine Tuo videbimus lumen”.

Latin translation of Psalm 36:9

Translated from Latin, it reads, “In Your light do we see light”.

STATEMENT OF FAITH

The statement of faith adopted by Beacon Hill Classical Academy is limited to primary Christian doctrine, which is considered to be central to all Christian denominations, and which sets Protestant Christianity apart from other faiths. We hold that a Christian is one who has heard the word of truth, the Gospel (Col. 1:5) and has responded to that message in genuine repentance and faith. A true believer is one who confesses with his mouth and believes in their heart that Jesus is Lord, that He died for his sins, and that God raised Him from the dead (Rom.10:9,10). This Christian takes their place among the body of Christ through baptism, commitment to serve a local church, and continual participation at the Lord’s Table.

1. We believe the Bible alone to be the word of God, the ultimate and infallible authority for faith and practice.
2. We believe that there is one God, a Spirit eternally existent in three persons: Father, Son, and Holy Spirit. He is infinite, eternal, and unchangeable in his being, wisdom, power, holiness, justice, goodness and truth.
3. We believe in the deity of our Lord Jesus Christ, His virgin birth, His sinless life, His miracles, His vicarious and atoning death through His shed blood, His bodily resurrection, His ascension to the right hand of the Father, and His personal return in power and glory.
4. We believe that, for the salvation of lost and sinful men, the enlivening work of the Holy Spirit upon the soul is absolutely necessary.

5. We believe that salvation is a gift of God received through faith apart from the merit of our actions.
6. We believe a faith that does not manifest itself in good deeds is no true faith.
7. We believe in the present ministry of the Holy Spirit, by whose indwelling the Christian is enabled to live a life more and more pleasing to God.
8. We believe in the resurrection of both the saved and the lost; those who are saved to the resurrection of life and those who are lost to the resurrection of damnation.
9. We believe in the spiritual unity of all believers in our Lord Jesus Christ.
10. We believe that the church is the fullness of God's kingdom in heaven and on earth.
11. We believe in a biblical view of marriage, designed by God to be a faithful, lifelong covenant between one male and one female (as determined genetically), revealing the relationship between Christ and the Church. As a gift from God, we believe the institution of marriage is the only sanctioned framework for sexual intimacy between husband and wife, while providing the scriptural foundation for the institution of the family, in the bearing and raising of children (Gen. 2:22-24; Mt.19:4-6; 2 Cor. 11:2; Heb. 13:4-7).
12. We believe that God wonderfully and immutably creates each person as male or female. These two distinct, complementary sexes together reflect the image and nature of God. (Gen 1:26-27). Rejection of one's biological sex is a rejection of the image of God within that person.
13. We believe that all human life is sacred and created by God in His image. Human life is of inestimable worth in all its dimensions, including pre-born babies, the aged, the physically or mentally challenged, and every other stage or condition from conception through natural death. We are therefore called to defend, protect, and value all human life. (Ps. 139.)

Summarily, we embrace and adopt both the essential truths of orthodox Christianity, as articulated in the ecumenical councils of Nicea, Constantinople and Chalcedon, and the system of doctrine expressed in the creeds of the Protestant Reformation, including the Belgic Confession, the Heidelberg Catechism, the Second London Confession of 1689, the Thirty-nine Articles of the Church of England and the Westminster Confession of Faith.

Secondary Doctrine Policy

Doctrinal issues not addressed in the Statement of Faith are dealt with in the following manner:

- Teachers must strive to present all classroom discussions of non-essential issues and doctrines in an informative, non-partisan fashion. Teachers must strive not to speak to the students in a manner causing offense to their Christian brothers and sisters.
- Teachers must strive to portray fairly various perspectives on a given controversial issue. Teachers may communicate personal beliefs but should take care in playing the role of their advocate.
- Teachers should encourage students to seek counsel on such issues with their parents and pastors.

FOUR PILLARS OF EDUCATIONAL PHILOSOPHY

1. Discipleship Integration

A Christian school should train children unto Christian maturity. Children should learn “the whole counsel of God” and a habit of life that honors God as modeled by their parents and teachers. We desire that the entire Bible be repeatedly, systematically, and comprehensively taught from kindergarten through 12th grade. They should be trained liturgically because we would expect our children to faithfully continue life in the church after they have been raised. Through discipleship and Chapel Doxology we emphasize a liturgical method for the foundation of life and to train children to intentionally love God and love people.

2. Classical Education

In our day “classical” means many things to many people. What we mean by classical education are those methods and habits that have been effectively employed by teachers for well over two thousand years. The goal was always to develop a love of learning and thoughtfulness. The tools have always been the liberal arts—those disciplines of mind that open up all other fields of knowledge.

3. Parental Involvement

We know from the Scripture that parents bear the primary responsibility for their children’s education. We also know that effective education grows out of the closest personal bonds. For these reasons, we have developed programs and policies that encourage parents to remain involved at every point of the educational process. We also respect and prioritize family time. As an institution, we seek to assist the family and the church in this worthy pursuit to disciple the student’s mind’s attention, heart’s affections, and body’s direction. We never seek or desire to be the sole means of a child’s discipleship.

4. Accessibility

We seek to build an institution that, as much as possible, serves a broad representation of the church. Providing effective classical and Christian education requires highly trained professional teachers. It is, however, achievable if parents and students are willing to sacrifice other less important elements.

CHRISTIAN EDUCATION

Beacon Hill Classical Academy is not affiliated with any *one* church, but instead is an extension of *the* Church.

Philosophy of Christian Discipleship

Christian schools generally use one of two approaches to student spirituality: discipleship or evangelism. That is, some schools approach the students as if they were Christians, while some schools approach the students as if they were non-Christian. We definitely fall into the discipleship camp, however, it would probably be more accurate to say that we are an evangelistic-discipleship school. In other words, the gospel must always be front and center *in* the discipleship process itself. The problem with the evangelistic approach, however, is that the goals of student discipleship are often limited to matters of conversion, to the neglect of so many important matters. The end of Christian discipleship, however, is not to be converted, but to live comprehensively for the glory of God. Put another way, we should aim for our students to love God with all their heart, soul, mind, and strength.

Another important matter often neglected in student discipleship is liturgical formation. Whatever one's tradition, baptism should be assumed to be part of the discipleship process. Students should also be trained to appreciate the Lord's Table. They should be taught to pray, to participate in corporate worship, to carefully hear the reading of the Word of God as their very life. They should know how to honor the Lord's Day. Giving to the poor and the ministry of the gospel should be constantly emphasized. Learning to sing psalms, hymns, and spiritual songs unto the Lord is especially to be emphasized. In summary, children are worshippers, and here at Beacon Hill Classical Academy, we desire to train up our students to worship their Triune God in Spirit and Truth.

Finally, we believe that a fundamental component of discipleship too often ignored by Christian schools is the systematic teaching of Bible stories, Biblical symbolism, and Biblical typology. Stories from both testaments are commonly told, for certain, but not every story. And those that are told are often reduced to moralistic tales. We believe that children should grow up knowing all the stories of their Bible, recognizing clear symbolic language and typology, and should be able to see how each story contributes to the story of redemption as a whole. The Bible should be the fundamental shaping influence in their worldview.

CLASSICAL EDUCATION

Classical Christian education (CCE) is a time-tested educational system which establishes a biblical worldview (called Paideia), incorporates methods based on natural phases of child development, cultivates the seven Christian virtues, trains students in reasoning through the Trivium (Grammar, Logic, and Rhetoric), and engages children in 'the great conversation' through the historical Great Books.

The Trivium

GRAMMAR

Grammar is the art of speaking correctly, intelligently, and beautifully. Considered as a liberal art, it includes phonics, formal grammar, etymology (word studies), spelling, basic composition, public speaking, and literature.

Our language program is the foundation of our school. At Beacon Hill, we use a method of teaching grammar with a winsome and thorough protocol that draws every student into the learning. It is auditory, visual, and tactile. With this method, we've achieved a very high success rate across the student body in general language abilities.

Memorization is essential to our program. Our students memorize at least six lengthy poems every year which serve as models of beautiful speech.

In the fifth and final year of grammar, students learn general reasoning skills while developing the art of critical thinking.

LOGIC

Logic is the art of correct reasoning. Through logic, children learn to correctly solve problems, understand and construct arguments, and identify fallacies. The formal discipline of logic begins in 4th grade and continues for three years in the following progression:

- 6) Informal logic (fallacies)
- 7) Formal Logic 1
- 8) Informal logic (argumentation)

Today, many are mistaken in the idea that logic is mathematical by nature, as traditionally this hasn't been the case. While logical principles can be applied to abstract symbols, it is most essential that students apply logical thinking to the ideas presented in English before them. Thus, we are for the humanizing of Logic as a vital liberal art.

RHETORIC

A thorough liberal arts education does not end with grammar and logic. In the classical Roman system of education, students would spend their first years with a grammarian, and then, if funds and abilities were sufficient, they would spend a season working with a rhetoric teacher. They would analyze beautiful and effective speeches, and regularly give speeches themselves, the goal being statesmanship and legal competence. It was a place of listening, watching, imitating, but above all, doing.

The ability to express oneself wisely and eloquently is essential, whether one becomes a statesman, teacher, a lawyer, or a businessman. And since all Christians are called to bear witness to the truth, rhetoric is eminently useful as a disciple of Jesus.

At Beacon Hill, formal rhetoric classes are taught to every student in grades 9-12. This is not a place for the mere study of rhetoric but a training ground with continual practice.

CURRICULUM STANDARDS & METHODS

As a classical school, Beacon Hill constructs its curriculum and pedagogy around four classical cornerstones: the Trivium, the great works of the Western canon of literature, an integrated approach to knowledge, and the study of Latin. The following section briefly explains and outlines each of these ideas:

2. Great Works of the Western Canon

Students living in the stream of Western civilization should work to rightly inherit and understand the great contributions of Western culture, including its unique qualities and its global influence especially in the modern world. To this end, students at Beacon Hill Classical Academy read many of the great books of this tradition and evaluate their meaning and impact in the light of God's Word. These works are not considered great simply because they are Western, but because they fundamentally answer or explore the deepest questions of human existence. This sustained search for truth has perennially characterized the Western tradition and the classical tradition of education since its inception.

3. Cross-Curricular Integration

As holistic creatures, students should be taught how all subjects are related to one another. History is necessarily tied to philosophy and religion. The humanities, arts and sciences bring a full perspective to the beauty of history and math. The biblical worldview is the essential point of integration for all subjects. In each year of Rhetoric school, students concentrate their humanities study on distinct phases of civilization: the ancient and classical era, medieval era, the American story, and the modern age. Courses are intentionally designed to tie literature readings and art criticism to the historical and philosophical context they express and influence. In many cases, these conventionally separate disciplines are taught by one teacher in a daily block schedule.

4. Latin

Latin is the original language of the Liberal Arts Tradition. We teach Latin at Beacon Hill not only for pragmatic reasons, but for the sake of the language itself. The telos of the Latin program at Beacon Hill is to be able to access great works of our past in their original language. We are seeking to teach our students the value of reading ancient writings in their ancient words, in their original form. This, of course, begins at the Grammar stage. Grammar age students are taught mastery of the Latin chants, and Latin vocabulary in an engaging, fun and primarily oral manner. Logic Stage students build upon this foundation by beginning to dive deeper into the beautifully organized grammar of the language. Logic School students are taught mastery of a Latin sentence, building towards fluency in easily accessible Latin stories. Rhetoric stage students begin by building their mastery of the Latin sentence, and pushing into mastery of paragraph level reading. By the end of their Sophomore year, the students are equipped with

the knowledge, understanding and skills to access any Latin text. Juniors and Seniors have the opportunity to then take Honors Level courses aimed at teaching the students how to read, analyze and write about the ancient Latin texts. In addition to our primary goal, the study of Latin has many practical applications that our students benefit from, including:

- Verbal Precision – the power to persuade is one of the strongest powers a human can exert. The precision of Latin provides students with an English linguistic tool that cannot be achieved in any other way. Using the right word, at the right time, in the right context is empowered by the study of Latin.
- Vocabulary – Over 50% of English words come from Latin. A single Latin word may represent the roots of five or ten English words. By learning Latin prefixes and ending, as well as Latin roots, students are capable of comprehending many English words that they’ve never heard. As many professional fields such as law or medicine use Latin as their base for technical terms and names, students who end up pursuing a professional career will already have a base from which to work. Students who have taken 2 years of Latin have scored an average of 52 points higher than non-Latin students on the verbal section of the SAT.
- Syntax and Grammar – Since English is an amalgamation of several different languages and therefore has many grammatical and syntactical exceptions, its structure is hard to learn and follow. Latin’s syntax and grammar are an excellent “ideal” language from which to learn. A student of Latin is better equipped to write well in English.
- Third Language Acquisition - Some of the most commonly acquired “second” languages: French, Spanish, Portuguese and Italian derive 80% of their vocabulary and grammatical structure from Latin.

ACCREDITATION

Beacon Hill is a ten-year member and pre-accreditation candidate with the Association of Classical Christian Schools. We are independent in that we do not accept government funding of any type.

ADMISSION, ENROLLMENT, FAMILY COMMITMENTS

ADMISSION

Requirements

A child must have reached the age of 5 by November 1st of the year in which he would be entering kindergarten; 6 by December 1st for entrance into the first grade; and so on. The Head of School will make a final determination.

The student should understand that his parents have delegated their authority to the school during the school day. Therefore, the child is subject to the instruction and discipline of the teacher and the Head of School in their prescribed roles at Beacon Hill Classical Academy. The child should also understand

clearly that all authority is derived from God. Beacon Hill teachers will appeal to God's authority over the student continually.

Parents of Beacon Hill students should have a clear understanding of the biblical philosophy and purpose of Beacon Hill Classical Academy. This understanding includes a willingness to have their child disciplined according to the school's Statement of Faith.

Parents are required to cooperate with all the written policies of Beacon Hill Classical Academy. This is especially important in the area of discipline and schoolwork standards.

Parents are required to serve 25 hours total for their family, each year for Beacon Hill. These hours can be completed by volunteering in class, fundraising, organizing field trips, teaching enrichment classes, among many other things. Education is a partnership between teacher and parent, and we especially enjoy having parents volunteer in the classroom.

PLACEMENT

In Grammar School, students are placed in their grade according to age. Their ability, however, will determine their placement in language and math classes. In the Logic and Rhetoric schools, subject assessments will be administered to determine level and course placement.

VISITING CAMPUS

Tours, information sessions, chapel visits & classroom visits can be scheduled through the main office at each campus. Campus visitation policies apply.

ADMISSION & ENROLLMENT PROCESS

All parents wishing to enroll their children at Beacon Hill Classical Academy are required to submit a complete application with a \$50 non-refundable application fee.

Once the application is received and processed, if there is room in the class that the student is applying for, the family may be contacted to schedule an interview. Any other necessary paperwork will be completed and collected at that time, and assessment tests will be scheduled to determine level and placement.

If a child is accepted, enrollment will consist of signing the Student Enrollment Agreement and paying a non-refundable tuition deposit. In the event that the class that the family is applying for has a full roster, that student will be placed in a wait pool. Should a spot open up in the desired class, we will first look to the wait pool to fill that spot.

Admission and enrollment deadlines

January 8-31--Priority Application & Enrollment Period (siblings of current students)

All applications for our current families, whether they are new(sibling) or returning students, must be completed during the priority enrollment period. Applications received by January 31 will be considered ahead of new families.

January 31—Priority Enrollment Deadline

February 1 - August 30-- Admission Applications Accepted For Fall Semester

Applications are considered on a rolling basis throughout the year. Families applying for financial assistance are encouraged to apply early.

Non-Discrimination Policy—Beacon Hill Classical Academy does not discriminate on the basis of race, color, national or ethnic origin, or sex in the administration of its policies, admissions, financial aid, and other school-directed programs.

RE-ENROLLMENT

Beacon Hill invites students in good standing to re-enroll. Early in the second semester, re-enrollment contracts are issued. A signed re-enrollment contract must be received and the non-refundable enrollment deposit must be paid to hold your student's place for the upcoming year. Shortly after the January 31st priority re-enrollment deadline, the Admissions Committee begins accepting new students for the following school year.

WITHDRAWAL POLICY

A withdrawal of a student is one that takes place after an Enrollment Agreement has been signed for the *current or upcoming* school year. If a family chooses to withdraw their student(s), the parents should:

1. Notify the Head of School of their intent.
2. Set up an exit interview with the Head of School, or, if the Head of School is unavailable for some reason, another member of the Board of Directors.
3. Submit a letter to the Board of Directors outlining their reason for withdrawal request, acknowledging their understanding of their financial obligation to the full year's tuition.
4. Turn in all textbooks and any other items belonging to the school.

FINANCIAL ASSISTANCE

Beacon Hill offers financial assistance to families with students in good standing and with a demonstrated financial need. Financial assistance is granted on a year by year basis. Families seeking financial assistance must apply each year for consideration. Applications for financial assistance can be completed directly through the website and are due with the application. All information required for demonstration

of financial need is held by the school in strict confidence and is only viewed by the Business Manager and the Financial Aid Committee.

FINANCES

Any questions about finances may be directed to Beacon Hill's Business Manager. Tuition payments at Beacon Hill are managed by FACTS, a tuition management institution. The School fully expects all parents to stay current with their tuition and fee responsibilities, and to honor financial commitments made with the School. The following policy governs all issues regarding tuition, fees, collection and refund.

TUITION COLLECTION POLICY

1. Tuition does not include costs of lunch, school supplies, portraits, uniforms, yearbook, certain field/class trips, and other activities that are related to choices and options during the school year.
2. All families paying in monthly installments are required to pay tuition electronically via FACTS tuition management service. Upon enrollment, an administrator will contact the family to help them set up the service.
3. There is a 2.5% tuition discount for annual tuition paid in full by July 1st.

Overdue Tuition Policy

- Any family who becomes concerned about their ability to meet their financial obligation to the school should immediately contact the Head of School before their account becomes past due.
- An account is considered overdue if not paid within 10 days of the due date.
- In the event tuition is not paid (due to insufficient funds) within 10 days of the scheduled withdrawal, FACTS will send a notification of delinquency no later than 15 days after the original due date.
- If at any time a family's account with the school becomes more than 30 days past due, they will immediately be placed on "Financial Probation." The Head of School will be responsible to see that the family is advised of their status and the consequences of financial probation. None of the students of this family may participate in any field trips costing \$50 or more and may not participate in optional extracurricular activities.
- If at any time during the school year a family's account with the school becomes more than 60 days past due, the Head of School will be responsible to see that the family is advised in writing and by phone call that their child's education at the school is subject to immediate discontinuance. Continued failure to pay past due accounts will result in the withholding of a child's progress reports, transcripts and ultimately the suspension and/or permanent dismissal of a child. Board

members will be advised of all accounts more than 60 days past due and of the Head of School's proposed course of action.

WITHDRAWAL TUITION RESPONSIBILITY POLICY

When a child is enrolled at BHCA, the school makes substantial financial commitments (facilities, texts, faculty, etc.) which normally cannot be terminated in the event a child is withdrawn. This policy applies to a family who initiates the withdrawal of a child from the school anytime after an Enrollment Agreement has been signed. Parents must understand that by signing the Enrollment Agreement they are entering into a contractual agreement with the school and are contractually responsible for the full year's tuition even if their student withdraws with the following exceptions:

1. The student's family is required by a third-party employer to move beyond a 35-mile radius from the school.
2. The student's primary financially responsible parent becomes unemployed by a third-party employer.
3. The student is withdrawn before the start of the school year but the classes in the withdrawn student's grade are full on the first day of school, and the school experiences no loss in total tuition income. For a student withdrawn during the academic year, the family is liable for all tuition except that amount paid by a student replacing the withdrawn student.

A student is considered enrolled once the relevant forms have been submitted and the tuition deposit paid. The tuition deposit is non-refundable.

CONFLICT RESOLUTION

The purpose of this policy is to establish guidelines for the resolution of disputes and grievances in the operation of Beacon Hill Classical Academy that are in accordance with biblical principles. These guidelines should be followed whenever a dispute or grievance concerning any aspect of the school's operation arises between or among any parties connected in a direct way to the school, including students, parents, volunteers, staff, administration and Board.

Dispute: Any disagreement that results in broken fellowship or trust between or among parties, which disrupts the lines of authority in the school, or that (in the judgment of either disputant) threatens the successful implementation of the school's objectives and goals.

Grievance: A concern about any decision made by one in authority, where the concern is substantial enough to warrant an appeal of the decision to the next higher authority

Concern: The substance of a dispute and/or grievance.

Parents to Faculty Disputes

1. Parents should present their concerns about in-class situations first to the appropriate teacher.
2. If there is no resolution, then parents or students may bring the concern to the Head of School in conference. The Head of School will decide if the respective teacher should attend the conference as well. If a student brings the concern, a parent may also attend. In the case the teacher is also the Head of School, the parent may request a hearing of the Board of Directors.
3. If there is no resolution, then the parents may request a hearing from the Board through the Head of School.

Parents (including volunteers) to Administration Disputes

1. Parents should bring their grievances or disputes about the general operation of the school (apart from particular in-class situations) to the Head of School.
2. If there is no resolution, the parent may request a hearing from the Board of Director School Boards.
3. This procedure applies also to Board members who are acting in the capacity of parent or patron, not as representatives of the Board.

Should any dispute arise that this policy does not address, the administration will determine a procedure to follow based on parity of reasoning from the procedures established by this policy.

MEDIATION POLICY

The Bible commands Christians to make every effort to live at peace and to resolve disputes with each other in private or within the Christian church (see Matthew 18:15-20; 1 Corinthians 6:1-8). Therefore, any claim or dispute arising from or related to this policy shall be settled by biblically based mediation.

PARENT VOLUNTEER HOURS

Every family is required to serve a minimum of 15 hours each year in volunteer work in and around the school. The board of Beacon Hill created this requirement to create a visible parental presence in the school. Everyone benefits when parents take an active volunteer role in their child's school. Parents may log their hours into the online volunteer log.

If you are unable to serve the required volunteer hours, a \$20 per hour or (\$300) per family fee may be added to the family's tuition bill or paid to the school up front. If the volunteer hours required present a family and/or financial hardship, at the discretion of the Head of School, a

waiver may be granted. Please present, in writing, your volunteer hour hardship request before October 15.

SCHOOL RECORDS/CUMULATIVE FILE

To ensure that the school complies with all necessary CA state regulations and to maintain pertinent information about all students entrusted to its care, the following forms are required to be on file for all students:

- ❖ Application for Admission (or re-admission)
- ❖ Enrollment Agreement (one for each year)
- ❖ Immunization Record or Waiver
- ❖ Student records
- ❖ *504/IEP Plan or any learning or processing disabilities paperwork*
- ❖ Emergency Medical Release (updated each year)
- ❖ Signed family/school covenant
- ❖ Authorization for Pick-Up
- ❖ Mediation Agreement
- ❖ Photo/Video Release

The school will coordinate the transfer of student records from schools attended previously by newly enrolled students. Should parental permission be required, the parents will be contacted to sign a release. If parents have maintained records of the student, they must deliver those records to the school prior to the first day of attendance.

All records will be kept confidential.

ACADEMIC INFORMATION & POLICIES

PROGRAMS

Full Time Program

Our full-time program follows a traditional class schedule with daily classroom instruction. K-5 students attend classes on the Lower School, Monday through Friday from 8:30am-3:00pm. Students in grades 6-12 full time attend classes on the Upper School, Monday through Friday, 8:45am-2:50pm.

Hybrid Program

The Hybrid Program is a Monday through Friday program where the student studies at home for part of the week and in the classroom for the other part of the week. While at home, students follow the lesson plans prepared and assigned by the teacher for each week. The same curriculum and scope and sequence is given and is to be completed from home as that of the full-time students. This is done under the guidance and direction of their parents; those subjects most suited for large-group participation will be taught in the classroom.

Transcripts and records will be kept by BHCA. Parents are expected to teach all the homeschool lessons outlined by the teacher and attend a parent/teacher training as scheduled (typically in August during fall orientation). The schedule is as follows:

Grammar School Hybrid:

Home Monday & Tuesday; Classroom Instruction Wednesday-Friday

Logic and Rhetoric School Hybrid:

Home Monday; Classroom Instruction Tuesday- Friday

CLASSROOM EXPECTATIONS

Students are expected to show up to class with a desire to learn and participate. This extends beyond baseline expectations to attend the course, submit your work on time or show respect for the instructor. Teachers prepare diligently for each class and expect you to arrive in class with a teachable, curious demeanor and to remain engaged while in the classroom. If you are needing academic or personal support please be confident that we are here to assist you. However, students who demonstrate an attitude that undermines the educational process, whether in attitude or actions, will be disciplined. Classroom attitude and behavior can be reflected in your daily class participation grades.

In addition to specific teacher guidelines for class behavior, here are some general expectations for all BHCA students:

1. Attend class with the proper materials (texts, notebooks, pen, etc.).
2. Be prepared by having read or completed any assignments.
3. Demonstrate attention to the subject matter being presented.
4. Participate in class discussion, including both speaking and listening attentively.
5. Show respect for the teacher and fellow classmates by not talking out of turn or being disruptive.

TEXTBOOKS

Textbooks and resource books are issued at the beginning of the school year and at other times during the year as required by the teacher. Students are required to cover replacement costs for

any school-owned textbooks, books and supplies given to them if they become damaged or lost.

SCHOOL WORK AT HOME

- **Full-Time Students:** The amount of time a student needs to complete homework varies from day to day, from grade to grade, and from student to student. Each student, with the help of parents, should plan his/her out-of-school and extracurricular activities wisely so that adequate time is provided for homework. Wise planning allows for timely completion of homework as well as the development of personal responsibility.
- **Hybrid:** In addition to the homework requirements stated above for full-time students, the home-to-school hybrid students will be required to complete weekly lesson plans in a timely manner as to keep up with the pace of the full-time students. The time required on home-study days is estimated to be about 2 hours for kindergarten, 3-6 hours for Grammar School and Logic students. This may be more some days and less on other days depending on the lesson and the student. Rhetoric students should expect 5-7 hours of work on a hybrid day, depending on the number of enrolled courses and difficulty level.

Grammar Homework Protocols:

- Kindergarteners are encouraged to read or have parent/tutor read to the student aloud for 20 minutes per night.
- Grammar students in grades 1-5 are expected to read a minimum of 30 minutes per night.

Rhetoric and Logic Homework Protocols:

Mathematics and languages classes should make every effort to begin daily homework within the class period. Assignments may then be completed as homework if required. Such homework should occupy 15-20 minutes in addition to class time at most, for an average student.

Humanities, Sciences, Bible, Rhetoric, Economics and Government classes should adhere to the following protocol:

- **Option 1:** All assignments for the week will be substantially begun during class periods and may be finished at home, so long as the additional work outside of class would occupy 15-20 minutes per class for an average student, per the math and language policy.
- **Option 2:** There may be ONE meaningful assignment intended to be completed entirely outside classroom hours per week, per class. This assignment should be posted or announced one week in advance of the deadline so that students may plan ahead. If

Option 2 is chosen for a particular week, teachers should make an effort not to also impose additional tasks along the lines of Option 1.

Both of these options are in addition to hybrid day assignments; humanities teachers will factor in the reading load for each week as well, in their overall homework planning.

BHCA sees the merit in limiting the number of hours required for homework as family life is an integral part of a balanced life. The homework protocols above should allow students making good use of class time and academic labs to complete a significant amount of work during school hours. This does require the student to manage time for long-term assignments and test preparation. Students are considerably varied in their development, focus, work pace, and priorities. Please consider extracurricular activities, distractions with technology, and time management factors when evaluating time spent on homework. We always welcome parent input throughout the year to maintain this balance.

REPORT CARDS & PROGRESS REPORTS

Grammar school (K-5) report cards are available for viewing on Scholae one week after the end of the semester. Lower Grammar (K-5) progress reports are ready for viewing one week after mid-semester. For Logic and Rhetoric students, report cards are available in Scholae at the conclusion of each semester according to the school calendar. During the grading period, a parent will be notified if a student's grade begins a significant decline or if a pattern begins to develop in the student's homework or conduct that indicates a cause for concern. Progress Reports are available mid-semester.

STANDARDIZED TESTING

6th and 8th grade Logic School students will take the Classic Learning Test (CLT6 / CLT8) in the spring semester each year.

Rhetoric students in the 10th-11th grades will take the PSAT in the fall and the CLT in the spring; National Merit Award Status is determined using the 11th grade PSAT. College-bound students are encouraged to sit for both the SAT and the ACT beginning in the Spring of their junior year. College counseling has additional details.

AWARDS

Faculty Commendations

At the conclusion of each year, the faculty of the Grammar, Logic and Rhetoric schools are asked to nominate students for faculty commendation. These honors are awarded with consideration of the following criteria • Academic achievement • Exemplary behavior • A positive attitude towards school and the academic endeavor.

Honor Roll & Dean's List

Logic and Rhetoric students who maintain a high GPA are named to the BHCA Honor Roll each semester according to the following criteria: Dean's List 3.9 GPA and above, High Honor Roll 3.75-3.89 GPA, Honor Roll 3.5-3.74 GPA. Additionally, one Rhetoric student with an overall GPA 3.75 or above (parameters clarified below) will be awarded the honor of being named the class valedictorian upon graduation.

Valedictorian and Salutatorian

The awards of valedictorian and salutatorian are awarded to the students with high academic standing who best represent and articulate the goals and vision of Beacon Hill. To be eligible to receive either award, students must be on track to complete 120 credits of classes taken at Beacon Hill at the conclusion of the senior year and have a cumulative grade point average of

3.75 or higher. After ranking by the teachers, the highest scoring student will be valedictorian and the next highest will be salutatorian.

Gryphon Award

At the conclusion of each year, the faculty of the Grammar, Logic and Rhetoric schools are asked to vote for the student in each school that they believe best exemplifies what it means to be an outstanding Beacon Hill student based off the Profile of a Graduate. These honorees receive the Gryphon Award, the school's highest honor.

Valor Award (K-5)

The Valor Award is awarded to a student who has shown courage, bravery, and care in the face of challenges outside the classroom walls. The student is a voice for the quiet, a defender for the weak, and an encouragement to the hurting. 1 Corinthians 16:13 Be on your guard; stand firm in your faith; be courageous; be strong.

RHETORIC POLICIES

GRADUATION REQUIREMENTS

In order to receive a BHCA diploma, students entering the Rhetoric School as Freshmen must meet the following minimum credit requirements totaling 245 credits:

1. Literature: 40 Credits (must be taken at Beacon Hill)
2. History: 45 credits (to include Ancient European, Medieval European, American, Modern World & American Government; must be taken at Beacon Hill)
3. Theology: 20 credits (Biblical Doctrine, Worldview & Apologetics)
4. Formal Rhetoric: 20 credits (Oral Rhetoric, Senior Thesis, Dialectic)
5. Visual and Performing Arts: 10 credits
6. Math: 30 credits (to include Algebra I, Geometry, and Algebra II)

8. Modern & Classical Language: 20 credits (must be earned in the same language)
9. Electives: 20 credits (includes Economics)
10. Physical Education: 20 credits

For students transferring in during their Sophomore year or later from another institution, minimum credits will be determined at time of transfer. Students must remain enrolled in BHCA's "Classical Core" courses of Integrated Humanities (Literature and History), Theology, and Formal Rhetoric while enrolled as a student to qualify for a BHCA diploma. *External*

courses may not be substituted for our Classical Core without written approval from BHCA administration.

To graduate, a student must earn the requisite number of credits for a BHCA diploma.

Freshman Sophomores and Juniors must be enrolled in a minimum of 6 courses each semester; Seniors must be enrolled in a minimum of 5 courses each semester.

TRANSFERRING CREDITS

Entering Students: Students who are transferring to Beacon Hill from another school or home school may receive credit for work completed previously in a recognized school when Beacon Hill receives sufficient documentation of their previous work. Transfer transcripts will be evaluated and approved for credit by the Administrative Team. Courses transferred in at the time of enrollment are recorded on the transcript and assigned course credit but are not calculated in the Beacon Hill cumulative GPA. Generally, only classes taken at Beacon Hill, including approved dual-enrollment courses, (see below) are used in calculating the overall GPA. An exception to this can be transfer students who come into BHCA having completed 1 semester or more from a recognized school with the submission of Syllabi and Concise Curriculum Guides for each subject which meet the approval of the Administrative Team. In addition, students must be on track to complete 120 credits of classes taken at Beacon Hill to be considered for valedictorian or salutatorian at the conclusion of the spring semester of the senior year

Enrolled Students: Once enrolled, Beacon Hill will only award graduation credit and transcript notation for approved outside courses. Courses will be approved at the discretion of BHCA's Administrative Team based on course content and alignment with BHCA's academic and spiritual guidelines. Courses that serve as prerequisites for BHCA courses must adhere to strict content requirements to ensure that students will be prepared for success in higher-level courses. Approved transfer courses completed while enrolled at Beacon Hill are recorded on the high school transcript but are not used in calculating the cumulative GPA with the following exception: *approved dual-enrollment courses through VCCCD or other approved post-secondary degree-granting institutions will be counted in the student's GPA if UC or CSU transferable.* UC or CSU transferable courses will be considered honors-level courses. Ten credits will be given for a 3 or more credit course. All courses outside of BHCA must have prior written approval in order to be put on the transcript to receive BHCA credit whether it is calculated in the GPA or not.

GPA CALCULATION & TRANSCRIPTS

Grade Point Average (GPA) is calculated at the end of each semester for students in Rhetoric School. The semester GPA is used for determining eligibility for the Dean's List and is recorded on the grade report. A cumulative GPA is calculated at the end of each semester and recorded

on the transcript. The cumulative GPA is also required for consideration for admission to most colleges and universities. Beacon Hill does not rank its students according to GPA.

Athletics credits are awarded for Beacon Hill sports and other approved programs with sufficient documentation--5 credits per approved sport or course per semester; 4 semesters required (20 credits). The grade is recorded as "Pass" on the report card and transcript but is not included in the calculation of the GPA. Any courses graded on a pass/fail basis will not be calculated into the GPA.

HONORS/AP COURSES

Where AP courses are compatible with our curriculum, we are pleased to offer them, contingent on enrollment demand. Students must register separately for the exam; please see the College Counselor for registration details and deadlines.

All honors or AP courses receive a 1.0 grade point enhancement on the Beacon Hill transcript. If a student prepares and takes the AP exam administered by the College Board, his BHCA transcript will indicate an AP course; if a student does all the required supplemental work but does not take the exam, an honors designation will appear on their transcript. A minimum grade of C- is required in the course to receive a 1.0 grade point enhancement on the GPA. Any grade below a C- at the end of a semester will be treated as an indication to be moved into the regular section of the course for transcription purposes.

COLLEGE PLANNING

Guidance counseling for college admissions is provided by the College Counselor/Academic Advisor. Beginning in 9th grade, students are given guidelines for course planning, testing and college visits. During the 11th and 12th grades, counseling is focused on guiding and supporting the student through the college application process.

ADDING OR DROPPING COURSES

Any Rhetoric student may drop/add a class during the first 5 school days of any new subject. Students may drop/add for an additional 15 school days with faculty/administrative approval. The drop/add forms can be found in the Upper School school office.

WITHDRAWING FROM A COURSE

After the initial 20 school day window, withdrawing from a course (after the add/drop period) will result in a Withdraw Passing (WP) or Withdraw Failing (WF) indication for that semester. These designations will stay on a student's transcript but the calculation into their GPA is not affected. Students should meet with administration to discuss options if the dropped class is a graduation requirement.

LATE OR MISSED WORK POLICY

“Missed work” is defined as work that was not turned in due to an excused absence or excused tardy.

“Late work” is defined as work that was not turned in on time even though the student was present or because the student was absent or tardy without an excuse validated through the main office.

"Missed work" may count for 100% of the grade. For an excused absence, the student will have **one school day for each school day missed** to turn in their work. Each school day beyond the allowed make-up period results in a 10% reduction per day to the grade for the missed work (up to a 50% reduction). . If a student knows he or she is going to be absent (for a family trip, for example) and has a larger assignment like a project or paper due during that period of planned absence, the student needs to turn it in before leaving on the trip.

"Late work" may be made up/ turned in but can only count as 80% of the grade if turned in on the first school day after the due date and then a 10% reduction each school day thereafter, up to a 50 percent reduction overall.

Both missed work and late work should be submitted to the teacher in the same way as on-time work (i.e., if on-time work was specified to be submitted through Canvas, missed work should be submitted through Canvas as well). When turning in the missed/ late work, the student should clearly communicate and confirm with the teacher that the work has been received.

For Logic School, the last day on which late work for the semester may be turned in is the last day of Review Week at the end of each semester. Exact dates for these deadlines will be issued on the academic calendar each semester.

For Rhetoric School, no late or missed work may be turned in for each unit in a course after the day that unit's examination. Students who have excused absences on the day of a unit exam may turn in late/missed work on the day they make up the exam, but no later. In other words, Rhetoric level courses "close the gradebook" at the termination of each unit. Exceptions for rare circumstances such as concussion protocol can be made on a case by case basis via the administration only. Teachers will uniformly observe this policy at Rhetoric level beginning in Fall 2024.

Student Athlete Assignment Policy

Student athletes leaving campus early to attend a sporting event are responsible for turning in all work due that day **before departing** and proactively communicating with their teachers about how any missed work should be made up. Teachers may schedule make-up sessions for athletes to complete missed work that cannot be made up at home (tests, art projects, science labs, etc.) at their convenience. Any make-up sessions will be clearly communicated to students and parents via a Canvas announcement.

FINAL EXAMS & SENIOR FINALS

The last week of the fall and spring semesters in Rhetoric school is set aside for final exams. Under no circumstances may final exams be taken early. ***Please do not schedule family vacations or other planned absences during finals week.*** Students unable to attend a final exam at the scheduled testing time must contact the Upper School office to either take the exam during a “make-up” session at the end of final exam week or arrange for another testing date. Special scheduling for make-up final exam testing sessions due to a planned absence will incur a proctoring fee. During the spring semester, senior finals are scheduled a week ahead of other Rhetoric finals to allow for graduation preparation.

MATRICULATION PROTOCOLS

FAILING GRADES

If a student fails a required course that is **not a prerequisite** for a higher-level course:

- 1) The student must make up the course with written approval from the Head of Upper School through an approved credit recovery program with a passing grade before by April 1st of the last semester of their senior year.
- 2) Preferably, the failed course will be made up the summer immediately following after the failed course. Core courses are BHCA specific therefore externally approved substitute courses are very limited. If an externally approved course is chosen to remediate a core BHCA course, concurrent enrollment during the school year may be necessary.
- 3) Students that plan to enroll in a 4-year university after graduating from BHCA are strongly recommended to remediate all D grades in the following courses: Literature, History, Math, Science, Modern & Classical Languages, and Visual/Performing Arts.

A grade earned in a repeated course will be posted on the student's transcript if it is taken at BHCA. Only repeated courses taken at BHCA will be calculated in revising the GPA unless specifically approved by the administration in writing. Remediated grades are designated on the transcript and replaced with the failing grade in the cumulative GPA.

Failure to earn the minimum number of credits at a particular grade level will affect the student's grade level status and may result in an inability to graduate in four years (see Grade Level Status section for more information).

If a student fails to earn a minimum grade of 70% in a course that serves as a **prerequisite** for a higher-level course:

1. Students should make every effort to make up the course through an approved credit recovery program over the summer with a grade of C- or higher.
2. If student fails to make up the course before the start of the next school year, student WILL NOT be able to enroll in higher-level course(s). In this case:
 - a) Student may retake the class at BHCA if schedule permits
 - b) If the schedule does not permit a retake, student must enroll in independent study and make up the class through an approved credit recovery program prior to the start of the next school year.
 - c) Please note that when prerequisite courses are not made up in a timely manner, scheduling issues will arise that may persist for the remainder of the student's time at BHCA.

A grade earned in a repeated course is posted on the transcript and is used for prerequisite consideration. Only repeated courses taken at BHCA will be calculated in revising the GPA.

GRADE LEVEL STATUS

As a general rule for purposes of grade level status, the following minimum credits must be earned:

- 1) Freshmen must earn a minimum of 60 credits to move to Sophomore status.
- 2) Sophomores must earn a minimum of 120 credits to move to Junior status.
- 3) Juniors must earn a minimum of 180 credits to move to Senior status.

PROGRESS REPORTS

Progress reports are available in the middle of each semester to the parents of students. As noted in this handbook, in Rhetoric school, a grade below 60% is considered failing. Students receiving an At-Risk grade report may be ineligible for extra-curricular activities and are at risk

of being placed on academic probation. (For additional athletics eligibility, see “Athletic Academic Eligibility” section below.)

ACADEMIC PROBATION

Rhetoric School students are required to maintain a minimum 2.0 semester grade point average (GPA) each semester. If a student’s semester GPA is less than a 2.0, the student will be placed on academic probation during the following semester.

An Academic Probation Conference is held each semester with the parent(s) and student whose grades are either failing or are at risk of failing. Receiving a conference notice can indicate one of two things:

1. Student has a grade of 59 or below in one or more courses, or
2. Student has a D grade in two or more courses and thus may be at risk of failing.

A student on academic probation has one semester to improve. In order to facilitate that, weekly grade reports will be conducted. If a student is on academic probation for two consecutive semesters, an administrative team meeting will be held, which may result in the student’s dismissal from BHCA.

ACADEMIC ATHLETIC ELIGIBILITY

In order to be eligible to participate on a Beacon Hill Team a student must maintain a minimum GPA of 2.0 each progress report and semester end grading period (not cumulative GPA). According to CIF eligibility criteria, GPA is defined as “an unweighted semester GPA on a 4.0 scale.” Also per CIF eligibility criteria, students must be enrolled in at least 4 classes per semester to compete as a BHCA athlete.

A student may be eligible for a maximum of 8 semesters during their high school career.

Reference: CIF Southern Section “Blue Book” page 59: <https://cifss.org/resources/blue-book/>

ACADEMIC ATHLETIC PROBATION

If a student receives a GPA below 2.0 at progress reports or semester report cards, the student will be put on Academic Athletic Probation for the next grading period. (See below for limitations)

Academic Athletic Probation means a student is academically eligible to participate during the grading period, but weekly participation is contingent upon the student maintaining a 2.0 or above during the

probationary grading period. Weekly grade reports will determine the student's ability to maintain the eligibility to participate the following week. Participation includes all aspects of the team.

LIMITATIONS ON PROBATION

If a student is currently on Academic Athletic Probation and concludes the subsequent grading period (progress reports or semester report cards) with a GPA below 2.0, they become academically ineligible and cannot participate in any aspect of CIF athletics for that grading period. Eligibility will be reinstated only if a student receives a GPA of 2.0 or higher at the next grading period.

DISCIPLINARY ELIGIBILITY

1. Participation is a privilege, not a right, and is always at the discretion of the Principal, Athletic Director, and Coach.
2. The Principal, Athletic Director, or Coach have the option of requiring a student to sit out if their behavior--whether inside or outside the classroom--is not to the expected standard of BHCA.

CONDUCT & DISCIPLINE

STUDENT CONDUCT POLICY

This policy is intended to establish standards of etiquette and conduct. It is to ensure that students treat others with courtesy and respect as well as respect property (both common and private). This policy applies to all students while in school and while attending school-sponsored activities.

All students are required to practice kindness, attentiveness, diligence, obedience, and respect towards their teachers, administrators and fellow students. Students are expected to conduct themselves with dignity, honor, and consideration for others.

Lower School DISCIPLINE POLICY

Teachers are expected to deal with the majority of disciplinary matters at the classroom level. Teachers, and if necessary, the administration, will determine the method and severity of punishment for misbehavior. Respect for the individual and for the larger student body, equity, and love must motivate all discipline at Beacon Hill Classical Academy.

Biblical principles regarding sin and punishment should guide all disciplinary actions, which may include private and public apologies, damage restitution, and the restoration of broken fellowship. Repentance and reconciliation are integral to the discipline of students.

If a student commits an act of such seriousness that the Head of School considers swift and decisive action necessary, he may circumvent the procedures outlined below and suspend a student immediately. Examples of actions or behavior that may lead to an immediate suspension include: leaving campus without permission from a school official, fighting, possessing a weapon, and cheating.

INFRACTION REPORT

In the event of serious misconduct, or after repeated misbehavior during a week, the student's teacher will document the nature of the offense(s) by filling out a "Grammar School Infraction Report". Consequences for the offense(s) will range from the loss of a morning break to scheduling a conference between the parents and the Head of School, or even suspension. A copy of the Infraction Report will be sent home to parents and must be signed and returned to the student's teacher the following day.

DISCIPLINARY PROBATION

Upon a student's third Grammar School Infraction Report in one semester, he or she will be placed on disciplinary probation. The duration of the probation will be set on a case-by-case basis by the Head of School. Upon the receipt of a fourth report, the student may be asked to leave Beacon Hill Classical Academy.

RECORDS

In order to maintain a highly structured environment, discipline standards and expectations inside and outside of every classroom will be uniform in principle and enforcement. Student behavior and discipline will be quantitatively tracked and disciplined whether they are in class or on the playground

UPPER SCHOOL DISCIPLINE POLICY

Because BHCA is a discipleship school, any disciplinary actions should be based on biblical principles: repentance and forgiveness, and restoration of relationship. The vast majority of discipline will happen at the classroom level between the teacher and the student. For more serious violations of school rules, as well as for a pattern of repeated minor violations, the following procedure will be the guide. All discipline begins with faculty as teachers establish and maintain consistent classroom expectations, both socially and academically. General behavior concerns are ideally handled within the context of class time and teacher/student relationship. The purpose of discipline is to provide accountability and a clear pathway for reconciliation when appropriate. To the best of our ability, we shall always seek after *repentance*,

reconciliation, and restoration when discipline occurs. Students shall not be restored to the classroom without repentance.

Upper School Disciplinary Office Visits

The following behaviors qualify for automatic visits to the office:

1. Disrespect shown to the teacher or any adult.
2. Dishonesty in any situation while at school, including lying, cheating, and stealing.
3. Rebellion or willful disobedience or defiance in response to instructions.
4. Fighting: striking or pushing in anger with the intention to harm another student or faculty member.
5. Obscene, vulgar or profane language, as well as taking the name of the Lord in vain.
6. Bringing weapons or illegal substances onto campus.
7. Skipping class without a good reason or leaving campus without permission.

Upper School General Discipline Procedure

When it is necessary to remove the student from the classroom and refer them to the office, the following general policy will be used:

- 1st offense: Student conference with Administration, student and parent provided official warning by phone call or email from Administration.
- 2nd offense: Student conference with Administration, student and parent provided official warning by phone call or email from Administration. Lunchtime detention or alternative discipline assigned.
- 3rd offense: Student conference with Administration. Lunchtime detention or alternative discipline assigned. Parent meeting with Senior Administration.
- 4th offense: Student conference with Administration. 1-3 Day Suspension Assigned. Parent meeting with Senior Administration.
- 5th offense: Meeting with Head of School & Senior Administration regarding an escalated disciplinary plan, pending Expulsion.

If a student commits an act with such serious consequences that the Head of School or Principal deems it necessary, the office-visit process may be bypassed and suspension or expulsion imposed immediately.

DETENTION

Detentions are assigned for dress code, attendance and tardy infractions, and may also include serious violations. Serious violations include but are not limited to: displays of disrespect or rebellion towards a teacher or staff member, dishonesty (including violations of BHCA's academic integrity policy), misuse of technology on campus, fighting, and the use of obscene, vulgar, or profane language. Detentions will be served within one week of assignment. Detentions on Upper School will be served during a lunch period

or after school janitorial duty. The Administration shall be the ones to assign detention. If teachers wish to assign a detention for a student's actions, they shall contact the Head of Upper School, Head of Spiritual Life, or the Upper School Assistant Principal.

SUSPENSION

For serious misconduct, detentions may be bypassed and suspension may be imposed immediately. Examples of serious misconduct include but are not limited to: acts endangering the lives of others, gross violence, theft, vandalism, and illegal activity (whether it happens on or off campus, during school hours or outside school hours). Students must remember that while enrolled at Beacon Hill they are always representatives of Christ and our school. Suspensions and expulsions require meeting with and/or approval by the Head of School.

EXPULSION

Beacon Hill Classical Academy realizes that expelling a student from school is a very serious matter and should be handled carefully on a case to case basis. Forgiveness and restitution are fundamental to our total discipline policy. However, should a student demonstrate a repeated disregard for our community and standards, the student will be expelled. Student expulsion generally results when a student's behavior or attitude is demonstrably harmful to our school culture.

Note:

If a student commits an act with such serious consequences that the Head of School or Head of Upper School deems it necessary, the office-visit process may be bypassed and suspension or expulsion imposed immediately.

ACADEMIC INTEGRITY

Academic integrity is honesty in a scholastic environment. It is a very important part of the educational process at Beacon Hill Classical Academy. Academic integrity is a key component of a student's moral character and is essential for the development of the whole person within a Christian learning environment. Academic integrity is also a key component of the entire school's moral character, and is essential for the development of an academic climate of mutual trust and of a spiritual community where honesty and respect prevail. Academic integrity needs to be upheld by students and staff alike, and how well this is done will determine the quality of students who attend BHCA, now and in the future. The Academic Integrity Code (AIC) clearly defines plagiarism, cheating, and violation of U.S. copyright laws. These definitions provide a framework for the training of the students and faculty so that all may glorify God through their academic work. The Academic Integrity Code also describes the clear-cut procedures and consequences that should result if intentional acts of dishonesty occur.

PLAGIARISM

“Plagiarism” is a form of academic dishonesty and intellectual theft that violates long-held and widely recognized principles of academic integrity. Plagiarism includes, but is not limited to:

- Failing to credit sources in a work in order to pass it off as one’s own work;
- Having someone else complete assigned work and then passing it off as your own;
- Plagiarism may occur with respect to unpublished as well as published material: this includes the act of copying another student’s work or other unpublished document and submitting it as one’s own individual work without proper attribution;

SCHOOL CALENDAR

The school calendar for the current school year will be posted on the school website. It will include official Beacon Hill activities and will be updated as necessary

ATTENDANCE

Regular school attendance is required by law and a prompt arrival to classes is important for a successful education at Beacon Hill Classical Academy. This policy is written with both the individual and the school community in mind. BHCA’s attendance and tardy policy is motivated by the need for order and accountability. The following guidelines and procedures have been established regarding attendance, tardies, and early departures. Final judgment regarding the legitimacy of an excused absence or tardy (as it relates to academic reporting) rests with Senior Administration.

Lower School

Excused Absence

- Illness or extended medical appointment – A note from a parent is sufficient for an illness or medical appointment resulting in an absence of no more than five school days. For illnesses longer than five school days, a note from a licensed physician is required. Parents are strongly encouraged to make every effort possible to schedule medical appointments for their children after school hours, or during school holidays.
- Death or funeral of a friend or family member
- Natural disaster
- Traffic accident that directly involves the student
- Law enforcement order or court subpoena
- Extraordinary circumstances or situations, pre-arranged and with Senior Administration’s permission.

Unexcused Absence

Absence from school for any reason not listed as an excused absence will be considered unexcused. All absences will be marked as unexcused unless a parent note stating an approved excuse is received within 24 hours.

- Students who arrive to class 15 minutes or more after the start time are considered absent unless excused by the front office.

Excessive Absence Policy

Students who miss 16 or more days in a semester (excused or unexcused) may be dismissed from Beacon Hill Classical Academy. Sixteen absences represent approximately 20% of the semester. If half or more of the absences are school-related or are the result of one catastrophic event (illness, accident, etc.), the students may appeal to the Head of School for a waiver to this rule. Families should understand that if a number of absences are the result of choice (i.e. family travel), no appeal is likely to be granted.

Excused Tardy

Any late arrival to school resulting from a doctor's appointment, temporary sickness, or from any situation pre-approved by Senior Administration. Delays caused by traffic are not excused. However, delays caused by a major traffic accident will constitute a legitimate excuse.

Unexcused Tardy

Any late arrival to school for a reason not listed under an excused tardy.

Excessive Tardies Policy

A student is allowed 4 unexcused tardies per semester without penalty. Every 5th tardy, excused or unexcused, will count as an absence.

All absences and tardies will be marked as unexcused unless a note with a legitimate excuse is received by the school no later than one week after the absence or tardy.

Additional Guidelines and Comments for all Students

- All students are expected to be in their seats in class and on time, by 8:30am.
- A parent/guardian should call or email the school if a student will be absent or tardy on any given day. It is the responsibility of the parent to inform the office and teacher of an absence.
- Excused absences do not exempt the student from completing assignments. It is the responsibility of the parent or student to determine class and homework assignments they have missed. In situations of extended absences, the parent and/or the student should contact the teachers directly to discuss strategies for making up missed work. See late work policy for more information.
- Students/parents who wish to communicate a pre-arranged absence (i.e. family vacation, scheduled surgery, etc.) should contact their teacher as early as possible.
- The school will maintain records of attendance for each student and will include on each student's semester report card the total number of absences and tardies for the given marking period.

Upper School

Excused Absences

- Illness or extended medical appointment – A note from a parent is sufficient for an illness or medical appointment resulting in an absence of no more than five school days. For illnesses longer than five school days, a note from a licensed physician is required. *Parents are strongly encouraged to make every effort possible to schedule medical appointments for their children after school hours, or during school holidays.*
- Traffic accident that directly involves the student
- Law enforcement order or court subpoena
- Death or funeral of a friend or family member
- Natural disaster
- Extraordinary circumstances or prearranged situations, with permission of Senior Administration.

Unexcused Absences

Absence from school for any reason not listed as an excused absence will be considered unexcused. All absences will be marked as unexcused unless a parent note stating an approved excuse is received within 24 hours.

- Students who arrive to class 15 minutes or more after the start time are considered absent unless excused by front office

Excessive Absence Policy

Students who miss 16 or more days in a semester (excused or unexcused), which represents approximately 20% of the semester, may be dismissed from Beacon Hill Classical Academy. If half or more of the absences are school-related or are the result of one catastrophic event (illness, accident, etc.), students may appeal to the Senior Administration for a waiver to this rule. Families should understand that if a number of absences are the result of choice (i.e. family travel), no appeal is likely to be granted.

Students who miss 16 or more class periods for a single subject (i.e., absent for 16 periods of history) may be dropped from the class. If half or more of the absences are the result of one catastrophic event (illness, accident, etc.), students may appeal to Senior Administration for a waiver to this rule.

Excused Tardies

- Any late arrival resulting from a doctor's appointment (*parents are strongly encouraged to make every effort possible to schedule medical appointments for their children after school hours, or during school holidays*)
- Natural disaster
- Traffic accident that directly involves the student

- Extraordinary circumstances or prearranged situations, with approval of Senior Administration

Unexcused Tardies

Any late arrival to class for a reason not listed under an excused tardy.

Excessive Tardies Policy

A student is allowed 4 unexcused tardies per semester. In addition, a strict tardy policy will be in place for our Logic and Rhetoric School transitions and breaks. Due to the time constraints and movement between classes, it is imperative that each student arrives on time and is in their seat ready to work when the teacher starts class. Each student will be allowed 4 unexcused tardies per semester.

After the 4th tardy per semester, the following escalating discipline procedure will be applied:

5th tardy: Lunchtime detention – parent notification

6th tardy: Lunchtime detention – parent notification

7th and subsequent tardies: After-school janitorial detention – parent notification. Possible disciplinary probation and parent conference with administration, per the discretion of Senior Administration. In addition, School Administration reserves the right to revoke off-campus privileges for Rhetoric students as a disciplinary action.

Additional Guidelines and Comments for all Students

- All students are expected to be in their seats in class and on time.
- A parent/guardian should call the school if a student will be absent or tardy on any given day. It is the responsibility of the parent to inform the office of an absence.
- Excused absences do not exempt the student from completing assignments. It is the responsibility of the parent or student to determine class and homework assignments they have missed. In situations of extended absences, the parent and/or the student should contact the teachers directly to discuss strategies for making up missed work. *See late work policy for more information.*
- Students/parents who wish to communicate a pre-arranged absence (i.e., scheduled surgery, etc.) should contact their teacher(s) as early as possible.
- Parents wishing to pick up their child(ren) early from school must sign them out with the front office. Advance notice of such early departures is requested whenever possible.
- Students are not allowed to leave campus during school hours unless signed out by a parent, a person authorized by the parents on the “Authorization for Pick-Up Form” or accompanied by a faculty or staff member. This rule is in effect starting from the time students arrive on campus. Juniors and seniors may sign themselves out at the front office upon completion of their academic requirements for the day.
 - Any requests for exceptions to this rule must be submitted in writing by a parent (note or email) at least 24 hours in advance and approved by Senior Administration.

DRESS CODE (Lower School)

Code and Culture Mission

Beacon Hill Classical Academy believes that uniforms play an important role in maintaining a culture conducive to cultivating virtuous scholars. In many respects the uniform is the face of BHCA. Uniforms encourage a sense of school identity and cohesion among students and also help to raise the bar of the school's academic and cultural pursuits. Administrators, teachers and auxiliium are arbitrators in keeping the students dress up to code. The Head of School is the final arbitrator of whether a student is in compliance with this uniform policy and code.

When a student violates the uniform code the following actions will be taken: If a student comes to school with an incomplete uniform, a notice will be sent home informing parents. On the third occasion that such a notice is necessary, a parent will be called and asked to bring in the correct uniform before the student is allowed to continue school for that day.

2024 - 2025 Upper School Dress Code (All Upper School Students)

Beacon Hill Classical Academy believes that uniforms play an important role in promoting a culture conducive to cultivating virtuous scholars and followers of Christ. Uniforms prevent the application of subjective standards of dress in the classroom. Furthermore, uniforms encourage our students to see themselves as part of a larger learning community. By removing distractions, students can focus on the vocation that God has given them in their current season of life — namely, learning. Finally, as we seek to cultivate an environment where we teach young men and young women to joyfully obey their parents and God-ordained authorities, we believe that enforcing a dress code becomes a matter of discipleship.

In many respects the uniform is the face of BHCA. All clothes and shoes should be well fitted and clean. Uniforms should not have holes, tears, or frayed hems. *The most basic version of the Upper Campus uniform is a polo shirt or button down shirt with an embroidered BHCA crest, and chino pants.*

HOUSE SYSTEM (Rhetoric School Only)

Modeled after the historical British model of school houses, the BHCA House System is a Rhetoric school-wide program allowing students to flourish spiritually and socially through fellowship, leadership, service, healthy competition, and mentoring by faculty members and older students.

The four houses are made up of a mix of students in grades 9-12 and house designations are school-appointed. Students will remain in their appointed house for the duration of their Rhetoric school experience.

The names of each house represent key virtues of a Christian citizen:

FIDES	ADORANS	INTEGRITAS	BENEFICIUM
<i>Faith & Reason</i>	<i>Worship & Beauty</i>	<i>Integrity & Character</i>	<i>Service & Influence</i>

Students will learn of their assigned house at the start of the fall semester at the Rhetoric Spiritual Emphasis Retreat. Throughout the school year, houses will have regular opportunities to grow in fellowship and team spirit. The House Virtues, fellowship opportunities, and team building activities will guide the unity of each house. In addition, throughout the year, houses will participate in local service projects and enjoy regular competitions. Points will be earned through various means with monthly rewards. Finally, the houses compete for the House Cup which is awarded to the House with the most points overall.

House Leadership for each house consists of a faculty advisor and two student House Heads who are enrolled in the Leadership elective class. Students in grades 11-12 are eligible for House Leadership roles. Interested students may request the Leadership course in the spring and, after participating in an

application and interview process with select members of Rhetoric Administration and Faculty, will be given notification if they receive a leadership appointment.

Rhetoric students can purchase their House Wear at the Upper Campus office. House Wear is acceptable for Tuesdays throughout the school year. House sweatshirts may be worn as outerwear every school day.

STUDENT DRIVING

Students who drive to school must register their vehicles with the office. The registration includes a parent authorization permitting students to drive to school and basic information about the automobile(s). Students are to park in designated student parking areas. Drivers are not to exceed 5 miles per hour while driving on the campus grounds, exercising extreme caution in order to prevent accidents or injury. Driving privileges on campus may be revoked at any time.

All policies and expectations in accordance with DMV regulations are to be followed at all times. BHCA is not responsible for the safety of passengers being transported in the vehicles of student drivers. It is the responsibility of parents to know who is riding with whom in regards to student drivers.

Under no circumstances are students allowed to drive to or from off-campus school-sponsored field trips. Adult transportation will be provided as necessary.

CLOSED CAMPUS POLICY (Lower School Only)

Beacon Hill maintains a closed campus policy. Supervision on Lower School begins at 8:15 am and ends at 3:15 pm each day. Students are expected to be in the care of parents no later than 3:15 each day.

Beacon Hill maintains a closed campus policy. Supervision on Upper School begins at 8:00 am and ends at 3:15pm each day. Students are expected to be off campus no later than 3:15pm each day. Exceptions involve participating in discipleship groups, extra-curricular activities, or other authorized events.

Beacon Hill does not supervise students before or after the above posted times and is not liable for any injuries or accidents that occur before or after these times. It is our expectation that parents will not leave any elementary or secondary child on school grounds unsupervised. In the case of this situation, a child care fee of \$10 for every 5 minutes after 3:15pm will be charged per student through Facts.

VISITORS ON CAMPUS

Visitors to Beacon Hill must check in with the front office. Any visitor other than a parent must be pre-approved by the parents of a child being visited, and confirmed through the administration. Only people approved by the parents or guardians will be allowed on the campus unaccompanied. If the school is unable to get approval from a parent then a staff member will accompany the visitor. Visits from parents who wish to sit in and observe a class are always welcome. However, all visits must be arranged with the teacher and/or Senior Administration in advance. Visitors must sign in to the front office and wear a visitors lanyard. Upon leaving, the visitor will sign out through the office.

OFF CAMPUS PRIVILEGES (Upper School)

Seniors and juniors are allowed off campus for lunch. A current and signed parent permission note must be filed in the main office and this privilege may be revoked at any time at the discretion of the Upper School Administration. Academic and/or athletic probation results in an immediate revoking of open campus privileges for the duration of the probation. Students may provide rides for other students in accordance with current DMV regulations and submission of appropriate forms to the office.

Aside from off-campus lunch privileges, students are not allowed to leave campus during school hours unless signed out by a parent, a person authorized by the parents on the “Authorization for Pick-Up Form” or accompanied by a faculty or staff member. This rule is in effect starting from the time students arrive on campus. Any requests for exceptions to this rule must be submitted in writing by a parent (note or email) and approved by Senior Administration.

Parents wishing to pick up their child(ren) early from school must sign them out in the front office. Advance notice of such early departures is requested whenever possible.

DISMISSAL

Students are expected to be off campus no later than 3:15 pm each day for Lower School and 3:20 pm each day for Upper School. Exceptions involve participating in extra-curricular activities or other authorized events.

If a student violates this policy, the cell phone will be collected by a teacher or administrator and held by the teacher (Lower School) or in the school office (Upper School) until the end of the school day. Similarly, smart watches used during the school day will be collected by a teacher or administrator and held until the end of the school day. Students should set smart watches to “School Mode” or “Airplane Mode” to safeguard their use during school hours. On Upper School, students with a cell phone must keep it stored in a backpack or locker from the time they come to campus until the end of the school day at 2:50pm. If there is an emergency, parents may contact the student via the office. If a teacher sees a student with a phone out on the school campus, the teacher should confiscate the phone and bring it to the school office. Multiple violations will result in disciplinary action.

EARPHONE POLICY

Earphones may only be worn after school unless permission has been granted. Appropriate listening material is the purview of the parent. The confiscation of headphones and earphones from students who are in violation of the above policy follows the same guidelines as outlined regarding the confiscation of cell phones and smart watches.

CAMERA POLICY

An administrator must give permission for a student to have a camera on campus. If the camera is for photography or yearbook class, instructions for campus and event use will be in the course syllabus.

LAPTOP COMPUTER AND TABLET POLICY

The use of laptop computers or tablets on campus for taking notes or working on projects is a privilege reserved for Upper School students under certain conditions as approved by the BHCA administration. These conditions include approved group projects, during study hall periods, or for dual enrollment or affiliate course study. Their use in the classroom, however, is at the discretion of the individual class instructor. Laptop computers and tablets on campus should only be used for educational purposes. Playing games, viewing media (movies, YouTube, etc.), listening to music, accessing the internet for purposes other than research, etc., are not acceptable usages.

On-campus laptop and tablet usage must abide by the Acceptable Use Policy. The student who possesses a laptop computer or tablet is responsible for its care. Beacon Hill is not responsible for preventing theft, loss, damage, or vandalism to laptop computers or tablets brought onto its property. The confiscation of laptop computers or tablets from students who are in violation of the above policies follows the same guidelines as outlined regarding the confiscation of cell phones.

E-READERS

If a student in Upper School is using his or her E-Reader to read a book, such a device is allowed on campus. E-Readers may not substitute for the course texts provided by the school. Note that the Laptop and Tablet Policy guidelines and restrictions apply.

ACCEPTABLE USE POLICY

The Acceptable Use Policy for computers and internet-capable devices is posted in the office. Failure to comply with the Acceptable Use Policy will result in the loss of computer privileges on the BHCA campus.

PRINTING AND COPIES

Students need to plan their printing requirements so that all documents are printed at home. Students are not allowed to use the office printers. Upper School students have a dedicated printer on campus.

The office staff is not permitted to make copies for students (classroom assignments, missed notes, a lost worksheet, handouts, etc.). Students should hand-copy missed notes or make off-campus copier arrangements.

LOCKERS AND PERSONAL PROPERTY

Students in grades K-5 do not have lockers but will have an assigned place in each classroom for backpacks, personal belongings, and books, as designated by their classroom teacher.

Students in grades 6-10 are assigned lockers or cubbies; students in grades 11-12 may request a locker if needed. Items placed in a student's locker are considered personal property. Students are individually responsible for their personal property. Students must supply their own combination lock and keep their locker closed and locked at all times.

BACKPACKS, SPORTS GEAR, ETC.

Backpacks may be used to carry school materials to and from the campus and between classes. Sports gear and bags should not be left strewn about the campus or in the passing area between classes. Musical instruments should be stored in the designated classroom. All items should be labeled with your student's first and last name.

SCHOOL CLOSURES

Beacon Hill is not subject to Oxnard UHSD or Pleasant Valley SD school closures. BHCA school closures will be decided on by School Administration and approved by the Board. In the event of a closure or delayed start at Beacon Hill, the school will notify parents via email.

STUDENT SEARCH POLICY

To maintain order and discipline at BHCA and to protect the safety and welfare of students and school personnel, school authorities may search a student, student belongings, student use areas, student lockers or student automobiles as outlined below and may seize any illegal, unauthorized, or contraband materials discovered in the search. Administrators, teachers, and other professional personnel are permitted to question a student regarding the student's own conduct or the conduct of other students. In the context of school discipline, students have no claim to the right not to incriminate themselves.

BHCA has the right to monitor or examine any electronic device at the school or at any school-sanctioned activity. The school may monitor or examine any postings on the Internet or other electronic medium which includes but is not limited to text messages and postings on personal web sites, social networking sites (for example, Facebook or Instagram), or other private or public domains. Such monitoring includes but is not limited to all verbiage, pictures, depictions, graphics and videos. Students are responsible for and may be subject to disciplinary action for inappropriate material sent, posted, made available, shown to others or possessed by the student.

BHCA maintains the right to search any student at any time, or to search a student's technology/electronic devices, book bag, backpack, purse, desk, locker, car, etc. or any personal belonging brought on school premises. There is no expectation of privacy for any school owned property, including but not limited to desks and lockers. Students may put locks on their lockers, but a record of the combination must be submitted to the office. Instructional rooms and areas of student use are school property and remain at all times under the control of the school; however, students are expected to assume full responsibility for the security and condition of their own work areas. Periodic general inspections of rooms and other areas of the school may be conducted by school authorities for any reason at any time without notice, without student consent, and without a search warrant.

Students are permitted to park on school premises as a matter of privilege, not of right. The school retains authority to conduct routine patrols of student parking lots and inspections of the exteriors of student automobiles on school property. Vehicles belonging to students parked on school property may be searched if there is reasonable suspicion to believe that they contain illegal or unauthorized articles or materials. Students shall be responsible for any prohibited items found in their lockers or in vehicles parked on school property. If a vehicle subject to search is locked, the student shall be asked to unlock the vehicle. If the student refuses, the School shall contact one of the student's parents or local law enforcement officials. If the parent also refuses to permit a search of the vehicle, the School may turn the matter over to local law enforcement officials. A student's failure to permit searches and seizures as provided in this policy will be considered grounds for disciplinary action. If a properly conducted search yields illegal or contraband materials, such findings may be turned over to proper legal authorities for ultimate disposition.

CONTACTING THE SCHOOL

During the school year the offices are open from 8:00am-3:15pm (Lower School) and 8:15am to 3:30pm (Upper School) Monday through Friday. At other times, people calling the school may be connected to a voicemail system through which a message can be left. Parents wishing to speak with individual teachers may leave a message with an office attendant or email the teacher. Teachers will return phone calls as soon as their schedules permit (usually within 24 hours). Parents are asked to refrain from phoning teachers at home.

MESSAGES AND DELIVERIES

Only in the case of an emergency are classes interrupted to deliver messages from home. In such cases, parents may call the office to have the message delivered to their student. In the event that a parent needs to deliver an item to a student, the parent must leave the item in the school office.

LOST AND FOUND

Items in Lost and Found are collected in a bin in the school office. Labeled items will be returned to students when marked with complete and legible names. Lost and Found is emptied periodically and unclaimed items are either donated to charity or the BHCA used-uniform store.

LUNCH

Lower School (K-5):

Students must sit in an orderly fashion at their tables and must follow any instructions given by any of the school faculty, administration, staff, or designated parents. Students must eat lunch for the first fifteen minutes of the lunch period, and will be allowed to play once lunch is eaten and all student trash in the trash receptacle. The microwave is reserved for faculty and staff only. Please pack lunch items that do not need to be warmed. When a food item requires a utensil, please be sure to include that in your child's lunch. The students have 3 breaks to eat. Please pack enough healthy food for lunch and 2 snacks. A personal water bottle is required and can be filled at school when necessary. Please label all of your child's items with their first and last name.

Upper School (6-12):

Upper school students may eat their lunches at the tables outside the chapel, on the school grounds and playfields, and in the area outside the classrooms. During lunch, students must remain on locations of the campus that are within sightline of the lunch monitors. Students are not allowed in classrooms or the Logic Building hallways during lunch. Students may only eat in classrooms when a teacher is present to supervise, and in the event of inclement weather (rain, cold, high winds, etc.) A microwave, along with basic utensils, is designated for student use. Students are not to use the refrigerator, microwave, or other food supplies in the teacher workroom.

FIELD TRIPS

In order to participate in a field trip a student must have a signed consent form from a parent or guardian. Any faculty member, with the consent of Senior Administration, may choose not to take any student who has demonstrated a lack of self-discipline and may be a potentially disruptive influence on a trip. Parents will be provided with all the information concerning a field trip, and adequate chaperones will be acquired.

It is the responsibility of the parents to provide either transportation themselves to the field trip or through a driving carpool. After parents have dropped off their children with the teacher on the field trip, teachers assume responsibility for the student. Parents are welcome to attend the field trip as a chaperone with invitation of the event sponsor and when driving and payment details prearranged. Parent chaperones are required to conform to all BHCA policies and protocol while they are acting *in loco parentis* as a chaperone.

Faculty, staff, and parents may drive students to and from field trips provided they carry a valid California driver's license and liability insurance with legal/prudent limits. An updated driver's release form must be filled out upon each incidence of driving a student to a field trip. This includes a parent driving their own student with the protection that upon need, they would be able to drive another child if need last minute.

OVERNIGHT TRIPS

Students may have the opportunity to take extended, overnight school trips. General guidelines for these overnight trips (in addition to the guidelines above) are as follows:

- BHCA staff members are the official leaders of all overnight trips, and thus, all volunteer chaperones are expected to respect the authority of the staff.
- BHCA parents (serving as chaperones) are responsible for the students in their vehicles and in their assigned cabins or hotel rooms as applicable. Chaperones are required to adhere to the code of conduct for faculty / staff and will be vetted by BHCA administration.
- Specific chaperone duties for each overnight event are to be conveyed by the BHCA staff person in charge.

SCHOOL-SANCTIONED EVENTS

School-sponsored events are those events that (1) are organized by a member of the Board, administration or faculty in his or her official capacity; or (2) are approved by the administration but organized by an agency of the school; or (3) are published on the school's yearly calendar; or (4) receive the school's financial support.

- School-sponsored activities must comport with the school's stated educational goals.
- School-sponsored activities require the attendance of at least one member of the Board, administration, or faculty.
- Students who do not attend Beacon Hill Classical Academy may not participate in school-sponsored activities, except with the explicit permission of an administrator.
- Parents must sign a written waiver both releasing the school from any liability for each particular off-campus school-sponsored activity and authorizing the school's procurement of any necessary treatment in the event of a medical emergency.
- The school will advertise only school-sponsored activities in its official communications.
- The administration must approve all proposed activities and their dates and determine the number of chaperones necessary.
- Only school-sponsored activities will receive financial support from the school (e.g., free promotional copies and telephone usage, advertising assistance and use of supplies).

HEALTH POLICIES

ILLNESS OR ACCIDENT DURING THE DAY

A designated health station is outfitted with a basic first aid kit, and a private place to rest from sudden illness. It is also where prescribed medications are to be kept for administration by the school (see medication policy below).

It is the expectation that families keep ill children at home so that infectious conditions are not spread to classmates, faculty, and staff.

Do not send children to school if they have had any of the following within the previous 24 hours:

- Fever >99.5
- Vomiting
- Diarrhea
- Excessive coughing /sneezing
- Excessive nasal drainage
- Loss of taste and/or smell

Should a child become ill or injured during the school day, the staff will make every effort to care for them so that they may return to class. If necessary, students will be allowed to rest 15-20 minutes before deciding if they will return to class or if a parent will be contacted in order for the child to be taken home.

A student whose temperature is 99.5 F or higher, who experiences vomiting or diarrhea at school or whom the teacher feels has excessive coughing, sneezing or nasal drainage will be asked to go home and should not return to school until he/she has not experienced these symptoms for 24 hours.

When parents are notified of the need to pick up their child, the child should be picked up within 30 minutes of being called. If this is not possible, we ask that arrangements be made to have the child picked up by someone other than the parent, as health care space is limited.

It is required that each student submit a signed Emergency Medical Release Form before the start of each school year. This is completed in your online enrollment agreement. No student is allowed to begin classes until his/her completed form is on file. Please keep the school updated of any changes in relevant health history, or any changes regarding medication. When you choose your local emergency contact, make sure that person is aware of your choice, and consider providing him/her with copies of your medical insurance information/card and a Power of Attorney that legally authorizes him/her to seek medical care for your child in the event that you are unavailable.

Beacon Hill follows a ‘no-nit’ policy. If we find lice or nits on your child you will be called and will need to pick your child up from school. Until your child is completely free from all signs of lice, they must stay home from school.

MEDICATION

All medication must be delivered to the front office staff in the original container with the student’s name clearly labeled. All medication, including over-the-counter medicine in the original container, is kept in the office or with the teacher. NO medication of any kind may be carried on a student’s person, with the exception of cough drops, chapstick, inhalers for asthma or emergency medications for allergies and diabetes. A Medication Dispersion Log is kept in the office to document medicines given to students. Only medication provided by the parent is dispensed to his or her student.

SERIOUS DISEASE POLICY

This policy applies to all students, employees and volunteers of the school:

Serious diseases are communicable diseases that are potentially life-threatening or that can cause permanent bodily damage. Meningitis, AIDS (Acquired Immune-Deficiency Syndrome), Covid, and pneumonia are examples. Common colds, acute influenza, chicken pox, strep throat and the like, though unpleasant and contagious, are not considered serious diseases.

The administration will take all appropriate precautions (including isolating the student(s) who may have contracted or been exposed to the disease) to reduce the risk of infection of any student, employee or volunteer by any known serious diseases.

The school will not be held responsible for the communication of any serious disease that was introduced to the school without the knowledge of the administration.

Upon receiving reliable information that a student, employee or volunteer has contracted or been exposed to a serious disease, the administration will immediately contact the parents of any involved student, the Board and (at the discretion of the administration) local health officials and the Center for Disease Control in Atlanta, Georgia, to obtain pertinent information.

Based upon all available information, the administration will determine what actions are necessary. The administration will then contact the parents of the affected student(s) and relay to them the information it has received as well as the decisions it has made. The administration may require a student to remain home for either a specific or indefinite period of time.

The Board and administration may close the school in extreme cases.

CHRONIC HEALTH CONDITIONS

All students with a chronic health condition (such as allergies, asthma, diabetes, seizures or any other medical disorder) must have a “Plan of Action” annually updated and on file with the front office.

If a child is known to experience severe allergic reactions, parents must complete a Severe Allergic Reaction Treatment Form. This form must be signed by both the physician and the parent. Regarding emergency medication, (eg. Epipen), two sets of emergency medications are to be supplied by the parent – one to remain in the classroom with the teacher and one in the office.

If your child has asthma and carries an inhaler to be self-administered, state law requires that an Authorization for Asthma Medication Administration at School Form be completed and signed by the parent AND the physician. Routine medications are to be administered through the Front Office or by a teacher if specific arrangements have been made.

FOOD ALLERGY PRECAUTIONS

The school recognizes that food allergies can be a serious issue. In order for the school to take the necessary precautions with students subject to food allergies, regular communication must take place between the school and the home. Parents are asked to alert the school office regarding any food allergies as well as provide medical written documentation. Precautions are taken to the best of the school’s ability.

FIRE, EARTHQUAKE & LOCK-DOWN DRILLS

In accordance with state regulations and safety precautions, the school conducts fire drills, earthquake drills, and lock-down drills on a regular basis during the school year. Those in school buildings, and on campus, when the emergency alarm is sounded, including visitors and parents, must exit the buildings and follow the evacuation routes indicated in each classroom.
