

Welcome to Gryphon Honors Seminar

Summer Reading: *Out of the Silent Planet* / By C.S. Lewis

- *This is not our first Seminar reading. However, the book with which we will start the year is a sequel to this book. In order to really understand the sequel, you should read (or re-read) this first part of the series before school starts.*
- *First official Seminar reading will be distributed with syllabi on the first day of school.*
- *First official seminar meeting – MONDAY, Sept. 9, 2024.*

ASSIGNMENT: Re-Read the book. Enjoy.

Recommended – read it in the latter half of August so it's fresh in your mind when you come back to school.
